## **SUMMARY OF ISSUES**

### **PRELIMINARY DISCUSSION:**

The property owners have elected to allow Mr. Steele to represent their interest at a joint appearance before the CTC.

Owing to severe project time constraints, the review of property owners' concerns prior to the April 3, 2002 meeting of the California Transportation Commission is still forthcoming. A comprehensive summary will be provided to the Commission prior to the April meeting, but after March 25, 2002. Not all the owners will be available for review of concerns until that date. The Department's response to the owners' concerns and Review Panel Report will be submitted to the Commission on or before March 28, 2002.
